PAVING

WINDSOR PAVING HIGHLIGHTED WITH CHAPTER CIRCLE

*E*legant and stylish, imagine how this natural looking paving would enhance your garden. In the guise of genuine yorkstone the versatility of Windsor Paving is renowned. With a lightly riven surface, it's clean smooth edges allow good spacing control for easy laying.

A truly random design can be formed with the wide variety of sizes which are available and the choice of natural stone colours makes Windsor the ideal choice for both town and cottage gardens.

The Windsor range extends into hexagonal and round stepping stones giving the opportunity to pave almost any area.
